New CTE program at Hayden High School teaches kids about law

Law and Public Safety is a new College and Technical Education (CTE) program offered to students at Hayden High School.

“Our goal of the program is to expose students to the many career opportunities within law enforcement. In addition, we are working to develop an Explorers Club here at Hayden High School during the 2018-19 school year. We are collaborating with Hayden Police Department and Gila County Sheriff’s Department to prepare students careers in law and public safety,” said Sam Gonzalez, Hayden High school Law and Public Safety-first year instructor.

Hayden High School sophomore Lyana Romero said, “I am not sure yet if I am going into law enforcement after graduating, but I really like this class because it is fun and exciting. It my favorite class this year.”

The Law and Public Safety is one of four CTE classes offered at the Hayden High School During the 2018-19 school year on-site. The district also collaborates with the Ray School District to offer students welding at the Ray School District state of the art facility, and 8 additional CTE programs located at the Gila Community College. The Hayden High School is also planning to add culinary arts to it list of class offering next fall. The Hayden-Winkelman School District requires all students to participate in a CTE program as part of its graduation requirements.

“I believe CTE programs enrich our student’s education and provides additional opportunities for employment after high school. Our goal is to be able to offer student a variety of CTE programs and career choices that can meet their needs and interests,” said Jeff Gregorich, Hayden High School Principal.

Resolution Copper Company in Superior has committed to reclamation of the Historic Magma Copper Smelter Complex and on Nov. 10, 2018, the company will usher in the end of an era. The smelter chimney stack is scheduled to be demolished, pending optimal weather conditions, between 8 a.m. and noon. The smelter’s other buildings have been safely demolished and cleanup of contaminated waste materials is ongoing.

Reclamation is a commitment as part of a voluntary consent decree administered by the Arizona Department of Environmental Quality, to remedy and clean up environmental impacts from previous mining and smelting operations. As part of the decree, Resolution Copper has committed to completing the reclamation project in 2020.

Jazz & Wine Night at the Depot

Gila County’s own Bruzzi Vineyard is winning awards and acclaim - sample a few rare varietals and talk with winemaker James Bruzzi while chatting with Globe-Miami friends amidst the backdrop of stylish live jazz during a 6-9 p.m. evening at the historic, and acoustically optimal, ‘Copper Spike’ Train Depot in downtown Globe.

Cost is $20 at the door and includes two samples of your choice from four varietals that Young, AZ winemaker James Bruzzi will pour throughout the evening - while chatting with guests about the art and science of wine and unique terroir of his vineyard in Young, AZ.

Bruzzi’s website lists reviews of his unique Vidal Blanc; he will also pour and discuss his Merlot, Cabernet Sauvignon, Petit Sirah and Symphony.

Bottles of Bruzzi’s limited release wines will be available for purchase during the Nov. 15 evening - a relaxed Thursday night that’s also the debut of Satin Jazz - a new quartet featuring musicians Keith Gustafson on saxophones; Joe Sanchez on keyboards, Nolan Frost on alto flute and percussionist Linda Gustafson. The foursome offer their own ‘smooth jazz’ take on standards by George Benson, Herb Alpert, Chuck Mangione and Grover Washington. The musicians are donating their time; admission and wine sales are a fundraiser for the Cobre Valley Center for the Arts, and for upkeep of the historic Depot building.

Hayden upsets No. 1 Williams, advances to 1A championship game

By Andrew Luberda
Copper Basin News

Just three weeks ago then top-ranked Williams defeated Hayden, 40 – 20, but it’s always difficult to beat the same team twice.

The fifth-ranked Hayden football team proved that common belief true last Saturday night at Maricopa High School, where it defeated No. 1 Williams, 30 – 6, to advance to this Saturday’s 1A State Championship Game against No. 2 Superior.

“It was a tough fought game,” Hayden head coach John Estrada said afterwards. “We were ready for them; they knew what we ran, and we knew what they ran. I think our kids were just hungry, we haven’t been here in a while.”

Indeed, it’s been “a while” for the Lobos, who last appeared in a state title game 30 years ago and last won a football state championship in 1972.

Sophomore quarterback A.J. Castillo starred for the Lobos, rushing for a touchdown and throwing for two more. His 17-yard run was the first touchdown of the game, which came after the first of two interceptions in the game by junior Vicente Aguirre, who later was on the receiving end of Castillo’s 93-yard touchdown pass.

“I was really happy when we called that play,” Aguirre said about the touchdown play. “We executed the play, that’s all we

can do. I stuck with it and kept running.”

Added Estrada: “We knew they were going to load the box on us. We had some plays ready for that and they worked.”

Senior Joel Rodriguez scored on a nine-yard touchdown run before Castillo later hooked up with Jorge Rodriguez on a 33-yard touchdown pass and reception to close out the scoring.

The Lobos will play Superior, another team they played earlier this year. The Panthers won that game, 46 – 6.

“Superior is the toughest team we’ve faced,” Estrada said. “They’re tough, they’re well-coached, they’ve got some really good kids, and what they do, they do very well. It’s going to be an uphill battle for us, but we’re ready for the challenge.”

All the above is true, but it’s always difficult to beat the same team twice. Saturday’s kickoff is scheduled for 6 p.m. at Maricopa High School.

Hayden’s players talk strategy during a time out in the win over Williams.

Hayden plays a very close second in CJHL Championship

Copper Area News

The Jr. Miners avenged a loss to the Jr. Lobos just a few weeks ago – a 34 – 6 defeat – to reach a goal they set before the season. The Jr. Miners’ defense was the difference in the second half. For the Jr. Lobos, running back and defensive end Damien Smith, safety Jando Lorona, and quarterback Fabian Elvira played well, according to head coach Nimo Lorona. “We played well,” Lorona said. “(San Manuel) is very big, tough team. We’re undersized compared to them, but we fought hard until the end. We just ran out of time because they controlled the ball and clock and kept the ball away from us.” Congratulations to the players and coaches on both teams. 

“Our defense came up with some big stops that allowed us to get the ball back,” Burnham said. Isaiah Ramirez rushed for a pair of touchdowns for the Jr. Miners while Mathias Medina ran for another.
