OBITUARIES

Barbara Jones

Barbara Jones, 56, went home to be with the Lord on Feb. 26, 2016. Barbara passed away in her Phoenix home, surrounded by family members, after a long battle with cancer.
She was a long-time resident growing up in Mammoth and graduating from San Manuel High School in 1977. She held various jobs while schooling for a career in law enforcement, from which she retired from DPS after 27 years of dedicated service.
Barbara is preceded in death by her loving parents, Sam and Anita Jones, who formerly resided in Mammoth until they retired in Lakeside. She left behind her five loving siblings and their families: Charlotte Ezell of Black Canyon City, Mary Hartline of Dewey, Nelda Golden of Lakeside, Renee Thompson of Vernon and Sam Jones of Oracle.
Barbara will be greatly missed as she touched the lives of so many, and, was a joy to be with throughout her adventurous life.

Jep and Peggy White

A Celebration of Life will be held Friday, March 25, from 3-6 p.m. at the CAC Aravaipa Campus for Jep and Peggy White.
Jep and Peggy were lifelong residents of the Aravaipa Canyon.

Resolution Copper announces key milestone with start of the environmental study process

Superior, AZ - Resolution Copper marks another significant milestone with today's announcement by the United States Forest Service (USFS) that it has opened a 60-day public scoping period under the National Environmental Policy Act (NEPA) for its proposed copper project located near Superior, AZ (http://1.usa.gov/1px3Wcg).

“We welcome the opening of the public comment period and the process to evaluate our Mine Plan of Operations and Land Exchange,” said Andrew Taplin, project director, Resolution Copper. “NEPA is entirely consistent with the way in which we develop state-of-the-art projects worldwide and it is an important process that allows stakeholders to identify potential environmental and cultural concerns so that they can be analyzed and mitigated,” said Taplin. “Our commitment is to people and the environment. Our values mandate that our project be open to public scrutiny and respectful of all views being expressed. As we move from project permitting to a mining operation, our pledge is to continually improve our performance. We know what technology and best-practices can deliver,” concluded Taplin.

The USFS is responsible for conducting an independent environmental review of the project. The announcement signals the start of the public engagement process and it provides information on the mine plan of operations, the land exchange, location and time of public scoping meetings, as well as instructions on how to submit comments to the public record. Input in to the NEPA scoping process will be collected by the USFS and used to prepare an Environmental Impact Statement. “The process requires an open and transparent

interaction between the USFS and stakeholders and in a very real sense, that interaction will shape the future of the project and provide a pathway to move the project forward,” said Vicky Peacey, Sr. manager, permitting, Resolution Copper.

The Mine Plan of Operations and Land Exchange include the construction, operation and reclamation by Resolution Copper of a proposed large-scale mine and the exchange of land between Resolution Copper and the United States.

Resolution Copper is one of the largest undeveloped copper deposits in the world, located in the historic Magma Copper Mine in the Pioneering Mining District. The Resolution copper deposit lies nearly 7,000 feet below the earth’s surface and it is believed to contain more than 1.9 billion tons of copper ore. The Resolution Copper project would provide significant economic benefits to the local community and the people of Arizona including new state revenues to schools and local government and tens of thousands of new jobs opportunities. Based on current estimates, the Resolution Copper Mine is expected to have an economic value of more than $60 billion over the projected life of the project, through direct and indirect project benefits. The project seeks to create mutually beneficial partnerships in such areas as land stewardship, direct-employment, job training as well as contracting and commercial opportunities for local and Native American-owned businesses.

The U.S. Forest News release invites the public to submit written comments on the Mine Plan of Operations and Land Exchange. Comments must be received to the U.S. Forest Service by May 17, 2016. Comments may be sent in one of four ways to the USFS:

About Resolution Copper

Resolution Copper Mining is a limited liability company working to develop the third largest undeveloped copper resource in the world near Superior, AZ. The project will mine ore using underground block-caving methods at depths of nearly 7,000 feet below surface. When in full production, the mine will employ 1,400 workers directly and generate an additional 2,300 indirect and induced jobs. The mine will be North America’s largest copper producer when in full production, capable of producing more than 25 percent of the nation’s demand based on today’s usage.

Lady Miners reach Softball Classic Championship

By Andrew Luberda
San Manuel Miner

The San Manuel softball team won its first four games of the 12th Annual Salt River/Chandler Prep Softball Classic to make it to the Platinum Division Championship Game, which took place last Saturday at Valley Christian High School. The Lady Miners defeated Chinle, Walden Grove, Paradise Honors, and Combs before facing Ray for the championship. The Lady Cats avenged an earlier season loss against the Lady Miners and won the softball classic title, 7 – 1.

In the 8 – 2 win against Paradise Honors last Friday, senior ace Lyana Waddell earned the complete-game victory, allowing two runs – one earned – on seven hits with eight strikeouts. She did not walk a batter in the game.

Waddell, a Western New Mexico commit, also had two hits in the game.

Nikki Baldenegro, Brianna Galarza, and Natalia Ortega each had a hit and two RBI to lead the Lady Miners’ offensive attack. Dionne Ruiz went 1-for-3 with an RBI-double.

Upcoming schedule: Mar. 23 at Benson, Mar. 24 vs. Hayden (3:45 p.m.), and Mar. 29 at Walden Grove. All games are scheduled for 4 p.m. unless otherwise noted.

Newman wins the ’60 Hurdles Indoor’ title third year in a row

Winston-Salem North Carolina, February 28, 2016 – Atlantic Sun Indoor Championships

Junior Wayne Newman captured the third Bison’s victory of the day in the 60m hurdles. After setting the school indoor record for the event in the prelim, Newman turned in another blazing time of 7.90 seconds to win in the final, his third title in a row. “It’s really amazing that Wayne won his third consecutive A-Sun 60m hurdle title,” Head Coach Taylor said. “That is a huge accomplishment. We are looking to establish Wayne as a top hurdler in the nation.”

“Wayne has really found a niche for performing big at meets when we need him,” assistant coach Marcus Evans said. “He broke the A-Sun Championship record and his time ranks in the top 50 of the NCAA right now. He got big points from the 400m and 60m as well.”

In the 400m, Newman finished fourth with a time of 50.27 seconds. In the 4x400m relay, Newman, seniors James Tamburello and Andrew Bosket, and freshman Ryan Speer finished third with a time of 3:25.67.

“Our Men’s 4x400m really surprised with a podium finish,” Coach Evans said. “Wayne, James, Ryan, and Andrew gave their all and we came up just short for the gold. They put each other in great position to win and that’s what we are excited about.”

Wayne attends Lipscomb University in Nashville, Tennessee and is completing his studies in nursing. He is a graduate of San Manuel High School.

Sea Lions shine at State Championship meet; Evan Apuron state champ in 200 Butterfly

The Arizona Age Group State Championship Swim Meet was held March 10-13 at the Oro Valley Aquatic Center. Ben Fister (10), Mason Stewart (10), Tabitha Kellam (12), Evan Apuron (12), and Riley Stewart (12) achieved qualifying times at USA Swimming sanctioned meets to allow them to compete at the meet for swimmers ages 14 and under. Additionally, Johnny Smallhouse (9) and Ethan Kellam (10) qualified to swim on relays.

Swimmers were allowed to swim up to a maximum of six events at the meet, if they achieved the qualifying times. All five of the Sea Lions who qualified did so in the maximum number of events. The team had 18 top eight finishes and scored 345 points to finish in 11th place (out of 41 teams) overall (combined girls and boys score). Only large teams from the Phoenix metro area and Tucson finished ahead of the Sea Lions. The Sea Lions finished ahead of teams from Oro Valley, Verrado, Sahuarita, New River, Surprise, Sedona, Flagstaff, Havasu, Prescott, Maricopa, and Yuma.

At the State Championship Meet, preliminaries were held each morning. The fastest 16 times in each event advance to the finals. Places 9 through 16 earn a spot in the Consolation finals where they can finish no better than 9th place. The top 8 compete in the Championship Finals.

Mammoth STEM, First Avenue preschoolers visit the San Manuel Airport

The spirits of preschool students, from both First Avenue and Mammoth STEM Elementary, are soaring after the treat of a field trip to our local San Manuel airport on Friday, March 12. Students were so excited to experience this hands-on field trip right here in the community, citing it as one of the best field trips they had ever been on.

Ms. Shawnie Tinsley stated, “This field trip was planned to go along with our project based learning. Students chose to investigate airplanes. We are so fortunate to have the airport welcome us!”

Parrish Traweek set up the hangars, so that the kids could explore five different types of airplanes, inside and out, as well as record data, take and draw pictures, and ask questions.

Each student was given the opportunity to sit in the cockpits of the different Cessna airplanes and to operate the controls. Traweek and his staff also explained to students how the airport works and introduced our youngest learners to the diversity of careers available in aviation.

The students ended the day by watching a flight demonstration, with two teachers taking off into the sky with a pilot.

Students will continue to investigate and explore airplanes as part of an ongoing project.

Mi Pueblito celebrates two years in business

By John Hernandez
San Manuel Miner

On Friday, March 18, Mi Pueblito Restaurant in Mammoth celebrated two years of success. Maria Torres has realized a dream of owning a restaurant and has watched her business grow successfully.

“We are getting a lot of customers from Tucson as well as from San Manuel and Oracle,” she said.

Mi Pueblito Mexican-American Restaurant is also a bakery and tortilleria.

Maria and her husband Jerry hosted a celebration that included entertainment by Mammoth’s own Mariachi singer Genaro Moreno and DJ Johnny G. They also introduced their new menu and great specials that will be offered. On Saturday nights they have a steak special. This includes your choice of a rib eye or T-bone steak cooked to order with your choice of a baked potato and house salad or beans, rice and tortillas for $13.99. They also have a full bar.

The menu will include new sandwich choices and the Mi Pueblito Burger. This burger is an 8 ounce Black Angus jalapeno stuffed patty with Apple wood smoked bacon, lettuce, onion, tomato, blue cheese and chipotle mayo served on their house made bun with your choice of French fries or onion rings for $10.99.

Maria and Jerry would like to thank everyone in the Tri-Community for supporting their business. Mi Pueblito Restaurant is located at 706 N. Highway 77. They are open Tuesday through Sunday from 6 a.m. to 8 p.m. and are closed Mondays.

Mason Stewart earned a spot in the Championship Finals in his 50 Breaststroke, a great preliminary swim got him in the top 8 and an even faster swim in finals landed him a 7th place finish. In the 100 Breaststroke, Mason earned a spot in the Consolation Finals and fished 14th overall.

Ben Fister secured a spot in the Championship Finals in three events, the 50 Fly, 50 Back, and 50 Free. In the 50 Fly, he earned a spot on the podium with a 2nd place finish with a zipping time of 23.70. In both the 50 Free and 50 Back he finished in 5th place, just a fraction of a second away from making the podium. To round out his experience, Ben swam the 500 Free to a 14th place finish, the 200 Free to a 10th place finish and the 100 Individual Medley (IM) to a an 11th place finish.

Riley Stewart entered the distance freestyle events. At Age Group Championship swimmers do not swim events 400 yards or longer in preliminaries. All long events are only swum once in timed events. Championship swimmers do not swim freestyle events. At Age Group Championship Meets in the Butterfly events. Even with outstanding swims in the 50 and 100 Butterfly (27.25 and 1:00.62) his 4th and 5th place finishes were not what he had in mind. The 200 Butterfly came on the final night of competition and Evan was one of the three swimmers that left the rest of the field behind. In the final 25 yards, when the other swimmers were struggling with fatigue, Evan put on a finishing sprint that was just enough to take the race at the wall. His state champion winning time of 2:13.92 was 5 seconds faster than he swam in prelims and 7 seconds faster than his previous best time.

The Sea Lion 12 and Under Boys 400 Freestyle Relay team of Evan Apuron, Ben Fister, Ethan Kellam, and Riley Stewart finished in 17th place. The 12 and Under 400 Medley Relay team of Riley Stewart, Mason Stewart, Evan Apuron, and Ben Fister finished in 13th place.

For the first time at an Age Group State Championship Meet, the Sea Lions had relays qualify in the top 8 and were able to swim in Finals. The 10 and Under Boys Relay team of Ethan Kellam, Mason Stewart, Ben Fister, and Johnny Smallhouse finished 6th in 200 Medley Relay with a time of 2:32.11 and the same boys on the 200 Freestyle Relay also finished 6th with a time of 2:19.61.

Head Coach Alex Gort was ecstatic about the performance of Sea Lions Swimmers at the meet.

“Having every swimmer earn the opportunity to swim in the State Championship Finals at big meet like this was a great accomplishment for the team and our team score reflected the success,” Gort said. “Ben’s 2nd place finish in the Butterfly was a great moment as he added his name to the list of swimmers from San Manuel with top 3 finishes at State. Evan winning the 200 Butterfly in such a dramatic fashion was truly a special moment.”

The congressionally authorized land exchange will transfer to Resolution Copper 2,422 acres of federal land around Oak Flat, located east of Superior. In return, Resolution Copper proposes mining and ore processing activities, which would take place near the town of Superior, Arizona on a mixture of private, state and Forest Service lands. Copper concentrate would be pumped approximately 22 miles southwest along an existing railroad corridor for additional processing near Magna, Arizona. Tailing disposal is proposed to take place approximately 5 miles northwest of Superior, on 4,400 acres of Forest Service land.

The proposed project is subject to the Project-Level Predecisional Administrative Review Process under the Freedom of Information Act. (EIS) to evaluate and disclose the potential environmental effects from: (1) a proposal of a plan of operations submitted by Resolution Copper Mining, LLC (Resolution Copper), for mining operations on Federal Service lands; (2) the exchange of land between Resolution Copper and the United States; and (3) amendments to the Tonto National Forest Land and Resource Management Plan. Resolution Copper proposes mining and ore processing activities, which would take place near the nonprofit Tulare County, Arizona.

A Notice of Intent to Prepare an Environmental Impact Statement was published in the Federal Register and is available online at http://www.ResolutionMineEIS.us. The notice and supporting documentation is also available for review at the Tonto National Forest field office, 2324 East McDowell Road, Phoenix, AZ 85006.

Public open house meetings will be held as follows. Each meeting will take place from 5:00 to 8:00 p.m.; a presentation will take place at 5:30, followed by a brief question and answer period:

1. March 31, 5:00 – 8:00 p.m. Queen Valley Recreation Hall, 1478 East Queen Valley Drive, Queen Valley, Arizona.
2. April 4, 5:00 – 8:00 p.m. Superior High School, Multi-purpose room, 100 Mary Drive, Superior, Arizona.
3. April 5, 2016, 5:00 – 8:00 p.m. Elks Lodge, 1775 East Maple Street, Globe, Arizona.
4. April 6, 2016, 5:00 – 8:00 p.m. Southwest Regional Library, 775 North Greenfield Road, Gilbert, Arizona.

Additional information regarding the project can be obtained from Mark Nelson, Project Manager, (602) 225-5222; mnelson@fs.fed.us.

The proposed project is subject to the Project-Level Predecisional Administrative Review Process under Title 36 Code of Federal Regulations (CFR) Part 218, Subparts A and B.

How to Comment and Timeframe

Specific written comments (36 CFR Part 218.2) on the proposed project will be accepted for 60 calendar days following publication of the Notice of Intent to Prepare an Environmental Impact Statement in the Federal Register. If the comment period ends on a Saturday, Sunday or Federal holiday, comments will be accepted until the end of the next Federal working day. The publication date in the Federal Register is the exclusive means for calculating the comment period. Those wishing to comment should not rely on timeframes or information provided by any other source.

Comments should be within the scope of the proposed action, have a direct relationship to the proposed action, and must include supporting reasons for the Responsible Official to consider (36 CFR 218.2). If you are including references, citations, or additional information to be considered for this project, please provide a copy, specify exactly how the material relates to the project, and also indicate the part of the material (page or figure numbers) you would like us to consider.

Specific written comments may be submitted via mail to Resolution EIS Comments, P.O. Box 34469, Buckeye, Arizona 85326. Comments accepted online until the end of the Federal Register publication date or by email at comments@ResolutionMineEIS.us. Comments may also be submitted via the project website (www.ResolutionMineEIS.us/comments).

Only individuals or entities (as defined by 36 CFR Part 218.2) who submit timely and specific written comments (as defined by 36 CFR Part 218.2) about this proposed project or activity during this or another public comment period established by the Responsible Supervisor will be given an opportunity to have their comments considered. Specific comments are defined as follows: Beginning at the Northeast corner of Parcel No. 1, described as above; Thence South 80 feet; Thence West 10 feet; Thence North 80 feet to the Point of Beginning, as created in Docket 943, page 391. Family First sponsors March for Life

March for Life, sponsored by Family First Pregnancy Care Center, was held Saturday, March 12. The walkers had such a great time sharing with the community their pride in Life Matters.

The speakers were focused on giving the audience their take on what it meant to them being a foster care parent, a parent who chose to adopt an infant, a mom who loved beyond measure a child with special needs and a grandparent who won the crowd by stating Grandfathers are the Best.

Life is precious from infancy and beyond. There were children, teens and parents of all ages who enjoyed the cool weather marching to the beat of love from their hearts.

“We appreciate all who came out and carried a balloon, had their face painted and ate cake,” said Clare Grochocki, director of Family First. “Family First thanks all individuals and businesses who sponsored and donated to our March for Life. This was our first and it was awesome to see the participation from the community. Thank you!”

Family First is a nonprofit bringing valuable education in parenting, child development, life skills, and building healthy relationships for a brighter future for the Mothers, Youth and families. Interested in more information on programs or community events for teens, story time for toddlers and Practical Fatherhood sessions?
