Winkelman Preparatory Academy was founded and developed by Rebecca Brewer PhD and her husband, Jeremi Brewer PhD. The couple has founded and owned many businesses, globally. Always with a focus on education, they have helped to build different curriculums to support entrepreneurs and business leaders. After selling their previous business, they returned to Arizona and invested in a local meat processing facility. AAs they began visiting and working in the area, they realized they wanted to live in the area full time and raise their

## OBITUARIES

# Maria Monsterrat Perez Fernandez

Our beloved mother, grandmother and sister, Maria Monsterrat Perez Fernandez, was called to heaven on Jan. 18, 2024.

Mary or Mrs. Fernandez, as most knew her as their elementary school teacher, was born April 2, 1937, In Jerome, Arizona. She was one of two daughters born to Sabino and Maria (Perez) Carbajal. At a very young age, Mary and her sister

Nela (Vera) lost their mother. Their mother's sister, Reyes Benavidez, raised Mary and Nela as her own children.

Mary enjoyed growing up in Jerome, AZ and it was there she met the love of her life, Mike Fernandez. After finishing high school, and upon Mike's return from the military they had a plan to run off and elope. They married on May 11, 1957, and had three children Michael, Edward "Skeeter", and Maria "Terry". The family moved to Superior after Terry was born. Mike began work at the mine and supported Mary to begin her studies at Arizona State University to become a teacher. She graduated in May of 1973 and began teaching third grade the same year. She later went on to earn a degree in interior design and a master's degree in education. Mary was also a member of

Delta Kappa Gamma Society International.

Mary loved teaching and interacting with her students. Many will recall being called a "cabeza de huevo" as a term of endearment. Her favorite project at school was to teach her class to dance and host a Baile Folklórico show every school year. She would often tell her grandchildren that being a teacher "has to be a job you do because you love it." She retired from Superior School District after 32 years of teaching and substituting.

Mary loved visiting and chatting on the phone with friends and family. She often cooked and baked for her grandchildren either sending food or luring them in for a visit

Mary is survived by her daughter, Maria Fernandez (Mike); brothers, Tony Benavidez and Pete Benavidez; grandchildren, Orlando Tameron, Niki Fernandez (Michael) Senyssa Beard (Drew) and Nico Manriquez; 25 great-grandchildren and eight great-great-grandchildren. She is preceded in death by her husband, Mike Fernandez; sons, Michael and Edward "Skeeter"; grandson, Michael Fernandez II; and sisters, Nela Vera, Carmela Cervantes and Natalia Perkins.

Services were held Jan. 26 at St. Francis of Assisi Catholic Church in Superior and interment followed at Fairview Cemetery in Superior.

# Theresa Ramirez

Theresa was an amazing mother, daughter, sister, grandmother, friend, teacher and, most importantly, a mentor. She was

a proud graduate of Arizona State University earning her bachelor's degree in education. She then furthered her education at Northern Arizona University where she received her master's degree. Teaching was her utmost passion as endorsed in her 27-plus years of influencing hundreds of students in the Phoenix and Mesa School Districts.

Theresa's children and grandchildren were the loves of

her life. She was tremendously proud of them. Her time spent with them was a blessing and profound at every single memorable moment.

Theresa is preceded in death by her father, Albert Gutierrez, and sister, Stephanie Boykin.

She is survived by her daughters, Tammi Ramirez, Samantha (Trinidad) Carrillo, April Ramirez and Amanda (Johnny) Murrietta; grandchildren, Marie Ramirez, Emily Ramirez, Trinidad (Chacho) Carrillo, Henry Murrietta and James Murrietta. She is also survived by her mother, Lupe Gutierrez; and brothers, Albert Gutierrez, Joseph (Charlene) Gutierrez and Robert Gutierrez.

traffic for decades to come.

The combined \$44.7 million project will require multiple full highway closures on US 60 between Superior and Miami for blasting operations as crews work to construct new bridges over Queen Creek and Waterfall Canyon.

Motorists should plan for as many as three closures a week, starting at a date to be determined within the next several weeks, and continuing until autumn. The closures, when required, will occur from 9 a.m. to 2 p.m. Tuesdays, Wednesdays and Thursdays.

During the closures for blasting, crews will work to shift the highway 65 feet to the east and align it with the new Queen Creek Bridge. Also during the closures, crews will reconstruct the Waterfall Canyon Bridge just east of the Queen Creek Tunnel.

During the closures, motorists will detour on state routes 77 and 177 through Winkelman. This will add up

It's official.

On Jan. 23, members of Superior Town Council, Rebuild Superior, Resolution Copper, Superior Chamber of Commerce, Central Arizona College and Cobra Valley Institute of Technology all gathered at the Superior Enterprise center for the ribbon cutting of the Enterprise Center's welding facility and program.

Beginning the ceremony was Rebuild Superior's president Manny Guzman, who said, "This has been a long time coming with a lot of partners involved to be able to inaugurate this space. I think it was two years ago that we celebrated returning the building to the town government and the people of Superior. It is a blessing to be here to restore it to its place. This is the first time in 24 years that a course for credit is being offered at this complex, so let's celebrate that."

"Today is a culmination of so many wonderful things," said Superior Mayor Mila Besich. "In 2016, we had a very bold, bright and visionary council, and an amazing town manager, and we said that, not only did we want to solve our problems that we had, but we wanted to do something big and bold for our community, for people that have been here for many generations, and those that are new to our community. We set up a vision, that we would care about education, Pre-K through 20, that there would always be opportunities for lifelong learning.

"We decided that we would open a multi-gen center, and Todd boldly told us, 'You have about \$4 million to play with, and that's only if you can get Resolution [Copper] to play with us and be our partner."

By Nathaniel A. Lopez Copper Area News

On Jan. 19 and 20, the San Manuel wrestling team competed in Salpoint Wrestling Invitational. It was a tough two days of wrestling, but the Miners didn't fall short.

Four of their wrestlers were able to leave with hardware. Aiden Lazoya took fourth place at 215 lbs.; Jakob Tafoya took fifth place at 157 lbs.; Priscilla Molina took fourth at 120 lbs.; and Carla Flores took third at 150 lbs.

The Miner wrestlers competed in the Mogollon Wrestling tournament over the weekend. Results were not available at press time and will be in next week's issue.

## WELDING CENTER OPEN

Continued from page 6

She continued, "Our council wanted to, at first, build a new building out by the current school district, and Todd told us very soon, 'You don't have the money to do the Earth work', and we started down the road building our partnership with Resolution, which officially began right before Valentine's Day in 2019, with agreements that were really unique and bold for any mining company to contribute to. We started designing a multi-gen center, and it was going to go to our Junior High, where town hall is at now. And COVID happened. And rapid inflation happened. And this dream pretty much almost fell off the rails. We almost didn't think it was going to happen.

"When council took another bold move, and suggested let's talk to Mr. Cardon, and see if he would sell us the (old high school) building, and here we are today on what is a new ribbon cutting, and there will be several because the building isn't done yet, but our commitment and vision is to empower our local residents, to help our young people to be able to stay here. As Manny said, our community has not had access to skilled job training without having to travel outside of this community for 24 years.

Besich called for a round of applause for everyone who made the new welding center a reality.

Closing out the speaking section of the ceremony was the Enterprise Center's Director Arlynn Godinez.

"To build something like this, as impactful as this," she said, "there are so many people to thank, because it wouldn't come about without the partnerships we've developed.

In developing this program we worked with Central Arizona College and Cobra Valley Institute of Technology. We started small, we started with just 10 participants, but our vision is much larger than that, and with the partnerships we've developed, and the core that we've developed, I think the sky is the limit. This is just one aspect of a greater vision that we have, our hope is that we can be the hub for workforce development for the entire region, and that's what we're going to work tirelessly to do."

Another ribbon cut, celebrating Superior's and the region's continuing quest for a thriving and prosperous future. Congratulations to the Town of Superior and the Superior Enterprise Center on the welding program and facility, continue to do great things!

# QUEEN CREEK BRIDGE REPLACEMENT

Continued from page 5

to one hour to the trip between Globe and Superior. By providing consistent days and times for these full closures, ADOT is providing a reliable schedule for those who travel between the Superior and Globe areas

Toward the end of the project, a multiday closure of US 60 will be required to finish realigning the highway with the new Queen Creek Bridge.

The new Queen Creek Bridge will span 763 feet and feature one lane of travel in each direction with 4-foot-wide shoulders. The replacement structure for the Waterfall Canyon Bridge will span 107 feet.

Once the Queen Creek Bridge is completed, crews will dismantle the existing structure, which opened to traffic in 1949. While the bridge remains safe for traffic, it has reached the end of its lifespan and doesn't meet current standards for bridge design.

For safety reasons, construction will require closing some areas used by hikers, rock climbers and other recreational areas. In the Queen Creek Bridge area, trails will close from Magma Avenue in Superior to the west of the Claypool Tunnel. The trail through the Claypool Tunnel, heading east past Waterfall Canyon Bridge, will remain open until later in the project when active construction begins in this area.

In the Waterfall Canyon Bridge area, the US 60 pullout east of the Queen Creek tunnel will close during the project. Other nearby pullouts may close intermittently.

Ray Elementary's Spelling Bee winners are, from left, Katelynn Acevedo, Alicia Rivera and Michael Hernandez.

# Katelynn Acevedo wins Ray Elementary School's Spelling Bee

Have you ever wondered why there are Spelling Bees?

According to the Scripps National Spelling Bee program it all began nearly a century ago with nine newspapers which joined together to host a spelling bee, in order to promote literacy. Their site, easily found by typing 'spellingbee. com' into your favorite browser, is full of interesting information on many aspects of the not-for-profit Spelling Bee that so many schools participate in.

Who were Ray Elementary School's winners? First place was won by

Katelynn Acevedo; second place, Alicia Rivera; and third place, Michael Hernandez. The three alternates will be Alexiana Valdez, Jamey Wernett and Erianna Armenta.

Other students participating in the spelling bee were: Ben Wade, Dariani De Los Reyes, Areli Hernandez, Alexa Granillo, Brailee Cook, Gabriella Ashley, Samayah Jackson, Dominyc Gallego, Kristian McLaughlin, Camilla Garcia, Ethan Meza, James Richardson and Bella Martinez!

Congratulations, students!

two daughters. The two purchased the ranch previously owned by Joe and Jolene Philips, and currently they raise 4,000 chickens, producing eggs and poultry.

As they became more involved in the community, Rebecca applied to be the superintendent for the Ray Unified School District. While that opportunity did not come to fruition, she decided to open a private school for girls. The couple had home schooled their daughters, and had other parents asking if their students could attend her home schooling. The school had their first day in August of 2023 in the farm house on the 200-acre property.

There is not a cost for students to attend the private school because parents and guardians can use their State of Arizona Empowerment Scholarship Account (ESA) to pay for tuition for the school.

"We are not operating this school to make a profit. We are building this school to provide options for other students," explained Jeremi.

The curriculum does meet the State of Arizona academic requirements, but students can learn at their own pace, till they are proficient in the required skill they are also not required to pass standardized testing as required at public schools. The school will still administer the test, but is also focusing on preparing the students to take the college entrance exams such as the SAT.

Having a school on a working farm means that students are learning on real time such as learning how to figure out averages by measuring the weight of eggs and also learning business skills. The students are growing gardens and hiking in nature to learn more about life sciences such as biology and geology. They also have Spanish classes, piano and financial education. Winkelman Preparatory stresses critical thinking and its curriculum is designed to teach to the individual student, not the masses. Each student moves on to the next level as they reach mastery of the subject.

"We also want to create new opportunities for the students and expose them to different careers and experiences." The 16 students in grades five through high school are fundraising for a trip to visit Washington D.C. to visit the Nation's Capitol.

The success from this first year of operation has led the couple to purchase a building in Kearny where they will plan to expand the school to accommodate 60 students.

Both boys and girls will be eligible to attend the school. The school will follow the school calendar for the local public school.

Winkelman Preparatory Academy is not affiliated with any religious organizations. The location of the new school location will be announced soon and those interested in applying for the new school can contact Jeremi and Rebecca at 480-226-3197.
